NEW MEMBER CHAIRPERSON

DID YOU KNOW: THE VILLAGES CHAPTER OF ASGA IS A PRIVATE GROUP ON FACEBOOK

MEMBERSHIP

The Villages chapter of ASGA has had 60 new members this year. Ten of those members joined in October. Their names are: **Teresa England, Jeanne Fillin-game, Steve Gesinger, Terri Murray, Donna Blackburn, Lee Chitty, Loretta Cole, Kay Gibson, Barb Brooks.**

Most of these new members are also new to The Villages. It was hoped we could have a new member orientation for them, but that is on hold for now. Hopefully many of us will have a chance to meet these new members and enjoy their friendship!

FYI: The chapter has a newly revised Member Handbook. It's available to read and print on the chapter website at the bottom of the home page. The handbook covers our website, signing up for events, guidance for our golf events, social activities and even using Google Sheets on mobile devices. It has already been sent, along with a welcome letter, to all members joining since January.

~Nancy Hartshorn

MONDAY 18-HOLE CHAMPIONSHIP GOLF (MCG)

Monday 18-hole championship golf is now in morning tee time slots, and limited to 32 players. You must be a priority member to sign up for the Monday championship golf group. After we have been assigned our tee times, an email will be sent to all ASGA members, including non-priority members. If there are any openings, non-priority members can sign up for the openings through the tee time system. We generally have 12 to 20 golfers, and we follow golf with dinner in the country club restaurant. Sign up at the ASGA website/Events Calendar/ Monday Priority Golf. Points and money games have been suspended, for now.

~Larry Sheets, lga313@yahoo.com

THURSDAY 18 HOLE CHAMPIONSHIP GOLF (TCG)

We are now playing the early morning wave, usually starting by 8:15 a.m. With summertime heat, and the snowbirds gone, we usually do not have 32 members out to play. Therefore, if you do not have priority membership, but would like to join us for Thursday Championship Golf, please text me (631-603-8772) your name and Villages ID# by the Friday before the Thursday you wish to play, and I will do my best to get you in the group.

~Marcia Smith, ommsmith@gmail.com

MONDAY 9 HOLE EXECUTIVE GOLF (MEG)

Please join us Mondays. Starting Oct. 5th. We will go back to using the Villages Tee time system, so courses will not be pre-assigned. In general, we will try to get courses between 466 and 466a, with tee times between 10 and 11 am. On Oct. 12th we will go back to using the scramble game format we have used for many years. (\$2, per player, with prizes, at the after-golf social.)

Bart Hinkle will coordinate the social. The format will follow The Villages protocol for golf these days - ride solo in cart or walk, hands-free with rakes, flagsticks, and don't touch anyone else's clubs or golf balls. Also, no hugs, handshakes or high fives. Try and maintain 6' social distancing. All are welcome. Walkers are always welcome. Please sign up on the ASGA website\Calendar\Monday Executive Golf or use the links included in the Monday golf emails.

~Brent Mitchell, mitchellbom@hotmail.com

TUESDAY NINE & DINE IS SUSPENDED

THURSDAY 9 HOLE EXECUTIVE GOLF (TEG)

Please join us Thursdays as we play the executive golf courses in The Villages. All are welcome. If you don't have a golf cart, we will pair you with someone who does. Walkers are always welcome. The em-

phasis is enjoying a round of golf with friends. Please sign up on the ASGA website\Calendar\Thursday Executive Golf.

SATURDAY 18 HOLE CHAMPIONSHIP GOLF

We had a couple of good courses in October; Ocala National being a relatively new course for most of us on Oct 3rd, and Mission Inn, which was in excellent condition, on October 17. We are scheduled to play Eagle Ridge GC on Nov 7, and the Plantation GC, which was rained out last time, on Nov 21.

We are planning to take the next step and collect \$3 and points for closest to the pin and prizes based on quota points. We will plan to have a socially responsible gathering after the game to collect money and points. If you have any course suggestions, send them to me and I will evaluate to see how they can fit into our schedule.

Saturday golf provides a venue for both Priority and Non-priority members and guests, to experience golfing and socializing with our ASGA membership. Sign up on the ASGA website calendar.

HOLE-IN-ONE FUND

The Villages ASGA started voluntary hole-in-one insurance funds for both executive and championship golf in January 2018. Those who choose to participate, pay \$5.00 into the "pot" (or \$10 to be included in both pots). If you get a hole-in-one while playing in any Villages ASGA golf event (executive,

championship, or nine & dine), you will receive \$100 at the next ASGA Monthly Social.

We made it for one year with our Executive Hole-in-One pot, but needed a replenishment in January 2019. The original Championship pot is still healthy. If you haven't joined the pool and if you play golf with ASGA, now would be a good time to get your name on the list (s)...just in case.

We know that the odds of one of us making a hole-in-one are 12,500 to 1, but just think of how many of our fellow Village ASGA members have scored an ace. We've already paid out \$800 to members who have had holes-in-one. (Six is the average number of hole-in-ones per day in The Villages!) We all have a chance to get lucky!

Don't delay. Hurry and get your name on the participant list. PLEASE DO NOT PAY UNTIL YOU CHECK THE LIST TO SEE IF YOUR NAME IS ALREADY ON IT.

Below are the links you need to get started or you can find the information on our web site at: https://asgavillagesflorida.net/Golf_Info.html

COVID-19 Rules and Handicapping FAQs

The guidance below supplements a memo released by the USGA as to how the Rules of Golf and Rules of Handicapping apply in response to questions received from golf course owners, administrators, tournament organizers and golfers. As was noted in that memo, it is not the intended purpose of the below guidance to either encourage or discourage anyone from playing the game, but rather, in our governance role, to help golf course operators, committees and golfers better understand how the Rules of Golf and Rules of Handicapping apply to the various questions we have received.

The questions received fit into four main topics. In each of the four topics below, the guidance provided serves both to directly answer the questions asked as well as cover additional considerations that might also serve useful.

FLAGSTICK

May a course remove all flagsticks to minimize the possibility of exposing players to coronavirus?

May a committee introduce a code of conduct that does not allow players to remove (or even touch) the flagstick?

- The flagstick serves an important purpose in the game of golf – that is as an indicator to a player as to where the hole is located on the putting green or a target for shots.
- If a Committee decides to set-up a golf course without flagsticks, consideration should be given as to how best to support such a decision by providing players the location of each hole on the green. Whether this is general guidance (such as in the right front portion) or through a detailed hole-location sheet.
- As another means of minimizing exposure to players, a Committee might decide to introduce a code of conduct that prohibits players from touching or removing the flagstick. As is authorized under Rule 1.2b, such a code could also include penalties (such as one penalty stroke or the general penalty) if a player is in breach of its standards.
- Before a Committee decides to introduce such a restriction, it is recommended that consideration be given to the fact that removing the flagstick is an instinctual, even automated, act for many players. Drafting such a code of conduct to restrict only deliberate acts to affect the outcome of the hole would be reflective of that reality and would mean that a player who instinctually removes the flagstick would not get a penalty in doing so.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

BUNKERS AND BUNKER RAKES

We have removed all bunker rakes from our course to help stop the spread of coronavirus. What options do we have for players who end up in unraked areas?

- By removing rakes from the course, the Committee has various options as to how best to address the likely possibility of a player's ball coming to rest in an unmaintained area of sand and should consider which is the best approach under your unique circumstances.
- If you have limited play and most players at your course use a golf cart, the best approach might be to ask that each player takes a rake with them.
- If it is decided that no additional Rules will be put into effect to deal with these areas, it would be advisable to strongly encourage that players try their best to smooth the disturbed area with a foot or a club.
- Additional options could include changing the status of bunkers to be part of the general area. This would give players additional options under multiple relief rules (Rules 16 and 19) and would remove the restrictions normally in effect under Rule 12.
- Ground under repair could be used in two different manners. The first being to declare all bunkers to be ground under repair and treat them as part of the general area. This would allow players the option to take free relief outside the bunker under Rule 16.1. The second is to treat disturbed areas only as ground under repair. This would still allow a player free relief from such areas, but would require such relief to be taken elsewhere within the bunker.
- As a last resort, we have fielded questions as to whether a Committee may add a preferred local rule that would allow a player to place the ball elsewhere in a bunker without penalty (such as within one club length of where the ball came to rest). While that may seem like a good option in that it requires players to play from the bunker, there will be times when no effective relief would be available to a player, such as when a bunker is frequently played from and large areas are unraked. It would be recommended that the other options, such as those listed above are considered first, noting that using

the ground under repair options above ensure a player will get full relief and when dropping from knee height, balls very rarely plug.

- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

SCORECARDS AND SCORING

We are holding a competition, but want to limit how scorecards are exchanged both between players and after the round to the Committee. Do you have any recommendations?

- The Rules already allow numerous options to address these concerns noting that certifying a score does not require a physical signature, nor does it require a physical scorecard.
- If a Committee wishes to run a competition using a form of electronic scoring, this could come in many forms, such as asking that each marker send an email to the Committee and the player he or she is marking for, including the player's hole-by-hole scores. The player can then reply to verify the accuracy of the card.
- When electronic methods are used, such as the email example above or similar methods that involve text messaging, the Committee should decide when a scorecard would be considered to have been returned. For example, this could be when the player responds certifying that the scores are correct or some other action that the Committee might consider more appropriate.
- A Committee might also wish to employ the above method but also combine these with a physical scorecard by having the marker take a picture of the completed scorecard and either email or text it to the Committee using the same process described above.
- If physical scorecards are the preferred method, a Committee may wish to have the player and marker not exchange cards but rather verbally communicate the hole-by-hole scores to the Committee verbally in the scoring area. Additionally, verbal confirmation could be a substitute for the physical signature. As with the electronic scoring methods described above, the Committee should be diligent to clearly define when a scorecard has been returned, such as when a player leaves the golf shop if that is where the process takes place.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

MODIFICATIONS TO THE HOLE; NOT REQUIRING THAT PLAYERS HOLE OUT

A number of questions have been received that relate to modifying the hole so that players no longer need to reach into the hole to remove a ball to minimize the possibility of exposing golfers to coronavirus.

These have included some courses setting holes so that the hole liner remains an inch or two above the surface of the green while others have placed various objects into the hole or around the flagstick (such as foam pool noodles or plastic piping) so that a ball is unable to fall to the bottom.

While in all of these instances, the ball is not holed per the Rules of Golf (Rule 3.3c), a round played under these conditions will result in an acceptable score for handicap purposes using the most likely score guidelines (see Rule 3.3 of the Rules of Handicapping).

While the most likely score procedure is intended to support certain formats of play where the player is not required to hole out (such as in match play when the player's next stroke is conceded or in fourball stroke play when a partner picks up), it is also temporarily in effect where the above described safety measures are being used.

When using most likely score, the player should consider the number of strokes most likely required to complete the hole, and determine whether the ball would have been holed or not. Most likely score is at the player's best judgment and should not be used to gain an unfair advantage.

This measure is temporary and in effect within the United States until advised otherwise by the USGA.

The above guidance will continue to be updated. If you have any questions or concerns, you can contact the Rules of Golf and Rules of Handicapping departments by going to www.USGA.org.
